Scholarship:

The institution encourages students to apply for scholarship programmes and schemes. With pride I wish to state that a total of **583** students applied and **163** students have benefitted from government and non government scholarships to the tune of **Rs. 7,35,911/-** till date. The Scholarship Committee strives to make scholarship schemes accessible to all students and guides them to apply for various schemes.

Placements:

The Career Guidance and Placement Cell works towards developing employability skills in students through various programmes and activities. It also enables facilitation of employment through various agencies for students. There were **39** placements in fields like teaching, corporate companies and entrepreneurship.

Concluding Remarks:

The institution has consistently endeavoured to uphold the vision and mission of providing holistic and well rounded education to the girl students of our college to march ahead with courage, confidence and faith in their abilities. This is a result of the amalgamation of efforts taken together by the management, faculty and students to keep the banner of progress and accomplishment always flying high in the institution.
