About The College

Konkan Muslim Education Society's G. M. Momin Women's College affiliated to the University of Mumbai was established in 1989 in Bhiwandi with the vision of imparting education to girls and empowerment of women especially from the minority Muslim community. Bhiwandi, located in Thane district is renowned for power loom sector and churns out maximum loom material in the nation earning the title "Manchester of India". Konkan Muslim Education Society of Thane District established in 1927 fosters an atmosphere and environment of academics and development in Bhiwandi under the leadership of outstanding stalwarts and have shaped the culture of Bhiwandi to date with reputed schools and junior colleges. G. M. Momin Women's College, a flagship of Konkan Muslim Education Society is situated on a 4.9 acre educational campus replete with offering education in traditional and self financed courses in undergraduate, postgraduate and Ph.D. programmes. The institution has carved an exclusive niche in academics, extra curricular and co-curricular activities in the University with diligent students and well qualified, focused and energetic teachers working to foster holistic development of the girl students. The institution has been lauded with prestigious awards such as Best College Award by the University of Mumbai, Recipient of grants from RUSA, Star - DBT, DST-FIST & first Educational Institution in the country to be ISO 21001:2018 certified with EOMS (Educational Organization Management System), LEAD College in the Cluster for NEP 2020 Orientation.

About The Conference

The conference aims to promote interdisciplinary collaboration in biochemical sciences for sustainable development. It focuses on exploring innovative solutions to address environmental challenges while fostering cooperation across various fields. Experts will share their research experiences and best practices, bridging the gap between scientific advancements and mainstream applications.

Participants will be motivated by the drive towards innovation and progress contributing to positive change. A key objective is the promotion of climate-resilient healthcare systems that ensure universal access to quality healthcare amidst climate change. The conference will emphasize the importance of healthcare systems capable of withstanding environmental challenges.

This conference seeks to energize participants in encouraging research, collaboration and actionable solutions to tackle both environmental and healthcare challenges through the lens of biochemical science.

Schedule

Time	Programme
9:00am-10:00am	Registration and Breakfast
10:00am-11:25am	Session I Inauguration
11:25am-1:00pm	Session II Panel Discussion
1:00pm-1:45pm	Lunch
1:45pm-3:15pm	Session-III Paper Presentations
3:15pm-4:00pm	Session-IV Poster Presentations
4:00pm-4:55pm	Session V Valedictory
4:55pm onwards	Certificate Distribution

Themes & Sub Themes for Paper / Poster Presentation

1. Agricultural, Environmental and Waste Management

- Agricultural and Environmental Risk Management
- Water Security in Changing Environment: Concept, Challenges, and Solutions
- Role of Women in Water Conservation
- Recycling Chemical and Biomedical Waste

2. Climate Change and Women's Health

- Climate Change and Metabolic Disorders
- Effect of Climate Change on Women's Health

3. Sustainable Practices and Historical Insights

- Strategies Employed in Ancient Era for Sustainable Development
- Blue Economy and Sustainable Development
- Green Chemistry and Sustainable Development
- 3 R's of Sustainable Development and Conservation of Environment

4. Technological Innovations and Sustainability in Life Sciences and Chemistry

- Nanotechnology and Nano-Catalyst with Greener Approach
- Renewable Sources of Energy
- Advancements in Chemistry: Shaping the Future
- Data-Driven Insights in Chemistry and Biotechnology in the Digital Era
- Lab to Land Approach in Biotechnology
- Antimicrobial Drugs and Drug Resistance
- Biotechnology for Human Welfare

5. Interdisciplinary Approaches

- Interdisciplinary Approach to Climate Change, Adaptation and Mitigation
- Interdisciplinary Perspectives on Health, Technology and Society
- Role of Social Media and Commerce in Sustainable Development
- Green Management
- Innovative Financial Prospects for Sustainable Development
- Ethics in Pharmaceutical and Dye Industry
- Consumer Behaviour and Sustainable Development

Best Two Posters & Presentations will be awarded.

Subject: National Conference on Biochemical Approach towards Sustainable Development

Respected/ Honorable Sir,

We are pleased to inform you that K.M.E. Society's G.M. Momin Women's College is going to organize a National Conference on Biochemical Approach towards Sustainable Development on January 11, 2025. The conference will provide an attractive platform for interaction amongst eminent professionals, researchers and scholars of different fields from both academia and industry under one roof to discuss and share the state of the art development in Biochemical Approach towards Sustainable Development.

It is believed that economically strong societies of tomorrow will be based on the knowledge and technological skills particular on energy and environment, medicine and health care. This has been recognized as the key technologies that will determine the future welfare of our societies. It has been realized that any progress in these technologies critically depends on the development of new and functional biochemical materials with improved and novel properties that will be beneficial for present and future industrial revolution. Theme has been selected accordingly accommodate wide range of interests to facilitate the interdisciplinary interactions.

On this occasion let me take this opportunity to request you to kindly release appropriate fund for the successful organization of the conference. Hope your cooperation will be definitely helping us for organization of the conference in a fruitful and grand way.

With warm regards,

Symposia Grant Scheme for Organising Scientific Events (Symposia/ Seminars /
Conferences/ workshops, etc. within India

MAIN APPLICATION

1. a) Name of the Organization under whose auspices, the Scientific Event is proposed to be organised :
K.M.E.Society's , G.M.Momin Women's College, Bhiwandi.

b) Nature of the organization (PI tick mark √):

S. No.	Institution/scientific organization	Mark √
i.	Govt. Organization	
ii.	Central University	
iii.	State University	
iv.	Deemed University	
v.	State Govt College	
vi.	Private College	√
vii.	Autonomous Body	
viii.	Research Institute	
ix.	Professional Body	
x.	Registered Society	
xi.	Public Sector Undertaking	
xii.	Others (PI Specify)	

2. a) Full title of the Event: **National Conference on "Biochemical Approach Towards Sustainable Development".**

b) Major discipline the Scientific Event Falls under (PI tick mark √ as applicable):

- ☒ Chemical Sciences
 ☒ Life Sciences
 ☐ Engineering
 ☐ Mathematical Sciences
☐ Physical Sciences
☐ Earth Environment, Ocean and Atmospheric Sciences Medical
☒ Sciences
☒ Multi-disciplinary
☐ IT/ITES/Information Sciences

- c) Venue of the Event: Address: **K.M.E. Society's G.M. Momin Women's College, Bhiwandi**
City: **Bhiwandi** State: **Maharashtra** Pin: **421302**

d)

Date of the Event (DD/MM/YY): **11/ 01/2025**

e) Organizers (Name and affiliation)

Chairperson : Dr. Tabassum Sheikh ,K.M.E. Society's ,G.M. Momin Women's College, Bhiwandi
Organizing Secretary: Dr. Shaziya Momin ,K.M.E. Society's G.M. Momin Women's College, Bhiwandi

f) Complete Address of the contact person for all Communications:

Name: Dr. Jayashree Thakre

☐ MALE ☒ FEMALE

Designation: Head and Assistant Professor

Department(if any): Department of Chemistry

Name of the Institute/Society: K.M.E.Society's, G.M.Momin
Women's College, Bhiwandi

Address : Rais High School Campus, Thana Road,
Bhiwandi,421302

City: Bhiwandi State : Maharashtra Pin : 421302

Contact no with STD code: 02522 -225957

Mobile: 9869137416

e-mail: jayashree.thakre@gmail.com

3. When was an activity on the similar topic organized by you last: NA

4. a) Main theme of the Scientific Activity (Attach separate sheet, if required):

The main theme of the Conference is Biochemical Approach Towards Sustainable Development

1. Agricultural, Environmental and Waste Management:

- Agricultural and Environmental Risk Management
- Water Security in Changing Environment: Concept, Challenges, and Solutions
- Role of Women in Water Conservation
- Recycling Chemical and Biomedical Waste

2. Climate Change and Women's Health:-

- Climate Change and Metabolic Disorders
- Effect of Climate Change on Women's Health

3. Sustainable Practices and Historical Insights:-

- Strategies Employed in Ancient Era for Sustainable Development
- Blue Economy & Sustainable Development
- Green Chemistry and Sustainable Development
- 3 R's of Sustainable Development & Conservation of Environment

4. Technological Innovations and Sustainability in Life sciences and chemistry:-

- Nanotechnology & Nano-Catalyst with Greener Approach
- Renewable Sources of Energy
- Advancement in Chemistry Shaping the Future
- Data-Driven Insights in Chemistry and Biotechnology in the Digital Era
- Lab to Land Approach in Biotechnology
- Antimicrobial Drugs & Drug Resistance
- Biotechnology for Human Welfare

5. Interdisciplinary Approaches:-

- Interdisciplinary Approach to Climate Change, Adaptation & Mitigation

- Interdisciplinary Perspective on Health, Technology & Society
- Role of Social Media, Commerce in Sustainable Development
- Green Management Innovative Financial Prospects for Sustainable Development
- Ethics in Pharmaceutical and Dye Industry
- Consumer Behavior and Sustainable Development

b) Details on the scientific program and technical sessions (Attach separate sheet, if required)

The whole conference scientific programme is divided into different sessions including inaugural and valedictory session. Opening session includes inauguration followed by key note address. The Morning session include the various invited talks, oral presentation and poster sessions on various topics related to **Biochemical Approach Towards Sustainable Development**.

Each technical session will include invited lectures to be delivered by the expert scientist of relevant field and will be chaired by reputed scientist/ professors. Prizes will be awarded to best oral presentation and poster presentation to encourage the young scientists. The closing session will consists of overview of the conference programmes at the valedictory function.

Scientific Programme and Technical Sessions are given separately as Annexure-I

5. a) Relevance in the national context (Attach separate sheet, if required):

The conference aims to promote interdisciplinary collaboration in biochemical sciences for sustainable development. It focuses on exploring innovative solutions to address environmental challenges while fostering cooperation across various fields. Experts will share their research experiences and best practices, bridging the gap between scientific advancements and mainstream applications. Participants will be motivated by the drive towards innovation and progress contributing to positive change. A key objective is the promotion of climate-resilient healthcare systems that ensure universal access to quality healthcare amidst climate change. The conference will emphasize the importance of healthcare systems capable of withstanding environmental challenges. This conference seeks to energize participants in encouraging research, collaboration and actionable solutions to tackle both environmental and healthcare challenges through the lens of biochemical science.

The overall objectives of the conference are

- i. To promote interdisciplinary research and collaboration in biochemical science for sustainable development.
- ii. To identify and explore innovative biochemical solutions for environmental challenges.
- iii. To explore an opportunity for experts to share their research, experience and best practices with mainstream.
- iv. To energize and inspire participants to drive change, innovations and progress in their respective field.
- v. To promote climate resilient health care system that ensures universal access to quality health care for all.
- vi. To highlight the need for climate resilient health care system.

- b. How will the activity help in the promotion of science(Attach separate sheet, if required)

Conference will be organized in K.M.E. Society's ,G.M. Momin Women's College, Bhiwandi by the Department of Chemistry, on "Biochemical Approach Towards Sustainable Development", on January ,11th 2025. A wide range of topics will be covered in the said conference. Participants will be also benefited by the invited talks delivered by the experts from reputed Institutes. Many experts and participants, particularly from the nearby colleges and the other universities, will be participating in organising this event .

In the due course, some courses on the above mentioned topics have been floated as elective subjects. Such an occasion will be definitely helpful for the PG students and research scholars of this and the other Institutes.

The progress of multidisciplinary science needs basic understanding of their physico-chemical properties. Lot of applied research work is in progress. The conference will certainly provide a platform for the overall critical discussion on Biochemical approach for the betterment of society. This will help for the development of scientific society in particular and scientific development of nation in general.

In this regard, financial support is requested to CSIR towards the organisation of this National conference that will be immensely useful in many ways and will motivate Research and PG students to pursue their career in the field of scientific and technological research.

6. a) Indicate which of the CSIR laboratories /institutions are engaged in the main theme of the scientific activity:

	Name of the CSIR Laboratory	Theme Area/Technical Session
1	NEERI CSIR Lab. Nagpur	Nanocatalysis
2	NCL Pune	Catalysis and Nanocatalysis, Bioorganic chemistry

- b) Indicate if any CSIR Scientists are expected to participate: we are in a process of communicating the following scientists

	Name of the scientist	Laboratory/Institution
1	Dr. S. P. Gokhale	NCL Pune
2	Dr. Nitin Labhasetwar	NEERI Nagpur
3	Dr. C. V. Rode	NCL Pune
4	Dr. Pankaj Podar	NCL Pune

7. Authority letter from organization permitting Organizers to hold the Event enclosed? Yes.

8. a) Details of Participation:

Total delegates		Young Scientists	
National	80	Ph.D.Students/ Res. fellows	50 Nos
International	--	Post Docs	Nos

Subject: Invitation as the Keynote Speaker for Inaugural Session of the National Conference.

Dear Dr. Kale Sir,

Greetings of the day!

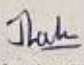

We take privilege in introducing you to the Konkan Muslim Education Society's G. M. Momin Women's College, Bhiwandi, Mumbai established in 1989, affiliated to University of Mumbai offering education to women students in traditional and self financed courses in UG, PG and Ph.D. programmes. The institution is Re-Accredited with NAAC 'B++' Grade, Recipient of Best College Award, ISO 21001:2018 (EOMS) Certified from Bureau of Indian Standards (BIS), Winner of BEQET Award of NCQM and Lead College in the Bhiwandi cluster for NEP 2020. The institution has strived hard to create an exclusive niche in academics, sports and extracurricular activities through diligent students and well qualified and industrious faculty.

It gives us pleasure to inform you about **One Day National Conference** (online and offline mode) on "**Biochemical Approach towards Sustainable Development**" on Saturday, 11th January, 2025 organized by Departments of Chemistry, Biotechnology and Interdisciplinary Studies in G. M. Momin Women's College. The objectives of the conference is to provide a platform for professionals, scholars and experts to stay ahead of the curve with the latest developments in the field, to promote interdisciplinary research and collaboration in biochemical sciences for sustainable development and exchange of ideas through interaction with budding academicians and researchers. The conference covers a wide range of topics related to sustainable Chemistry, Biotechnology including Interdisciplinary approach to climate change, adaptation and mitigation etc. enabling participants to gain valuable insights on "Biochemical Approach towards Sustainable Development".

We take pleasure in inviting you as the **Keynote Speaker for Inaugural Session on Saturday, 11th January, 2025 in the National conference.**

Thanking You,

Subject: Gratitude for Gracing the One Day National Conference as Panelists for Panel Discussion.

Respected Madam,

On behalf of K.M.E. Society's G.M. Momin Women's College, Bhiwandi, we extend our heartfelt gratitude for accepting our invitation and gracing the One Day National Conference on "**Biochemical Approach Towards Sustainable Development**" held on January 11, 2025, as Panelists for Panel Discussion. Your presence added immense value to the event, and your insightful address inspired both the participants and the organizers. Your words of wisdom emphasized the importance of sustainable biochemical practices and fostered an enriching exchange of ideas among scholars, professionals, and budding researchers.

We are truly grateful for the time and effort you devoted to this event, despite your busy schedule. Your encouragement and support have greatly contributed to the success of the conference. We look forward to your continued association with us and hope to have the privilege of welcoming you again in the future.

Thank you once again for honoring us with your presence and for making the event a memorable one.

Subject: Request to be the Guest of Honour for Inauguration Session of Conference.

Subject: Invitation as a Guest of Honour in National Conference.

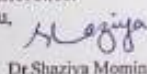

Dear Dr. Rajendra Shinde Sir,
Greetings of the day!

We take privilege in introducing you to the Konkani Muslim Education Society's G. M. Momin Women's College, Bhiwandi, Mumbai established in 1989, affiliated to University of Mumbai offering education to women students in traditional and self financed courses in UG, PG and Ph.D. programmes. The institution is Re-Accredited with NAAC 'B++' Grade, Recipient of Best College Award, ISO 21001:2018 (EOMS) Certified from Bureau of Indian Standards (BIS), Winner of BEQET Award of NCQM and Lead College in the Bhiwandi cluster for NEP 2020. The institution has strived hard to create an exclusive niche in academics, sports and extracurricular activities through diligent students and well qualified and industrious faculty.

It gives us pleasure to inform you about **One Day National Conference** (online and offline mode) on "**Biochemical Approach towards Sustainable Development**" on Saturday, 11th January, 2025 organized by Departments of Chemistry, Biotechnology and Interdisciplinary Studies in G. M. Momin Women's College. The objectives of the conference is to provide a platform for professionals, scholars and experts to stay ahead of the curve with the latest developments in the field, to promote interdisciplinary research and collaboration in biochemical sciences for sustainable development and exchange of ideas through interaction with budding academicians and researchers. The conference covers a wide range of topics related to sustainable Chemistry, Biotechnology including Interdisciplinary approach to climate change, adaptation and mitigation etc. enabling participants to gain valuable insights on "Biochemical Approach towards Sustainable Development".

We take pleasure in inviting you to be a Guest of Honour on Saturday, 11th January, 2025 in the National Conference.

Thanking You,
Regards,

Dr. Shaziya Momin

Subject: Gratitude for Gracing the One Day National Conference as Guest of Honour.

Respected Sir,

On behalf of K.M.E. Society's G.M. Momin Women's College, Bhiwandi, we extend our heartfelt gratitude for accepting our invitation and gracing the One Day National Conference on "Biochemical Approach Towards Sustainable Development" held on January 11, 2025, as Guest of Honour for Inauguration Session. Your presence added immense value to the event and your insightful address inspired both the participants and the organizers. Your words of wisdom emphasized the importance of sustainable biochemical practices and fostered an enriching exchange of ideas among scholars, professionals, and budding researchers.

We are truly grateful for the time and effort you devoted to this event, despite your busy schedule. Your encouragement and support have greatly contributed to the success of the conference. We look forward to your continued association with us and hope to have the privilege of welcoming you again in the future.

Thank you once again for honoring us with your presence and for making the event a memorable one.

With warm regards,

Dr. Shaziya Momin

REPORT

National Conference on "Biochemical Approach towards Sustainable Development"

The One Day National Conference on "Biochemical Approach Towards Sustainable Development" was held at G.M. Momin Women's College, Bhiwandi on 11th January, 2025. The conference was organized by Departments of Chemistry, Biotechnology and Interdisciplinary Studies, Under the Aegis of University of Mumbai In Collaboration with Association of Chemistry Teachers (ACT) and aimed to promote sustainable practices, provide a platform to present innovative work, encourage interdisciplinary collaborations and discuss advancements in biochemical research. The inaugural session included registration, welcome address by the Principal Dr. Tabassum Sheikh, felicitation of guests, Chief Guest Dr. Vijay Narkhede, Joint Director, Higher Education of Konkan Region, Panvel, spoke about government initiatives supporting research in sustainable development and the importance of academic-industry collaboration. He also appreciated the student receiving gold medal in academics. Guests of Honour, Prof. (Dr.) D.V. Prabhu, President of the Association of Chemistry Teachers, delivered an inspiring address, emphasizing the role of biochemistry in sustainable development. He also gave idea about the work carried out by Association of Chemistry Teachers for International Olympiad. Dr. Rajendra Shinde, Principal of St. Xavier's College, highlighted the role of educational institutions in fostering research and innovation for a sustainable future. The keynote address was delivered by Dr. Sharad Kale, a renowned scientist from BARC, Mumbai. He spoke on 'Biochemical Solutions for Environmental Sustainability, discussing innovative technologies developed by BARC for waste management and renewable energy. His address underscored the urgency of adopting biochemical approaches to ensure a sustainable future. Hon. Gen. Secretary, Dr. Daniyal Kazi, appreciated and motivated the staff for organizing the conference. The management members Mr. Fahad Bubere, Mr. Talha Faquih, Mr. Zubair Narvil, Mr. Uzair Fakih, Mr. Nazim Nasikkar, Mr. Basit Patel, Mr. Sarwar Patel, and Mrs. Saheba Pathan, (Chairperson, G.M. Momin Women's College) graced the conference with their presence. The session concluded with a vote of thanks by Dr. Jayashree Thakre, Convener and Head, Department of Chemistry.

The conference continued with a panel discussion on "Advancements in Biochemical Research and Sustainable Development", moderated by Prof. (Dr). D.V. Prabhu. Panelists, Dr. Wasudeo B. Gurnule, Former Head of the Department of Chemistry at Kamla Nehru Mahavidyalaya Nagpur, discussed the importance of green chemistry practices in reducing environmental pollution. Dr. Arindam Banerjee, CEO and Director of Lifesenz, presented industrial case studies demonstrating sustainable biochemical processes. Dr. Chakradeo C.A, Associate Dean at the University of Mumbai, highlighted the need for interdisciplinary research and collaboration to address complex environmental challenges. Dr. Shalini Arya, Professor at ICT Mumbai, focused on biochemical innovations in food technology and their implications for food security. She emphasized the usage of millets in everyday life. Dr. Vasudeo Zambare, Technical Head at Balaji Enzyme & Chemicals Pvt. Ltd., shared advancements in enzyme technology for industrial applications. The session was interactive with participants posing thought-provoking questions to the panelists. It concluded with a vote of thanks by Dr. Mukesh Pimpliskar, Co-Convener, Head, Department of Biotechnology.

The technical sessions were key highlight of the conference, featuring an extensive range of paper and poster presentations that showcased innovative research in biochemistry and sustainable development. Both offline and online paper and poster presentations were conducted. Total 250 participants attended the conference. Seventy three presentations were observed by Chairpersons and Co-chairpersons namely Prof.(Dr). Vishwanath Patil, Director, National Center for Nanoscience and Nanotechnology, University of Mumbai, Dr. Meena Rao, Sevasadan's RKT College, Ulhasnagar, Prof.(Dr) Nitin Labhane, Dean, Bhavan's College, Mumbai, Dr. Pradeep Shimpi, HOD, BNN College, Bhiwandi, Prof.(Dr) Nandkishor Chandan, HOD, Siddharth College, Mumbai, Dr. Suman Satyaram, HOD, K.V. Pendharkar College, Dombivli, Prof.(Dr) Rahul Jadhav, Principal, Gopinath Munde College, Mandangad, Dr. Rupesh Gaikwad, M.D. College, Parel, showcasing innovative environmental

solutions. The in-charges for the sessions were Dr. Tarannum Attar, Ms. Misbah Momin, Ms. Tahereen Momin, Ms. Naba Momin, Mrs. Ruby Patel.

The winners of the Presentations were:

- **Oral Presentation (Online):**

- I. Shraddha Shankar Parab, Sonopant Dandekar College, Palghar
- II. Karun Sodah, K. J. Somaiya College of Arts and Commerce, Mumbai

- **Oral Presentation (Offline):**

- I. Dr. Gauri Yeole, BGPS Mumbai College of Arts, Commerce and Science, Wadala (East)
- II. Mr. Swapnil Kadam, DSPM's K.V. Pendharkar College of Arts, Science and Commerce(Autonomous), Dombivali

- **Poster Competition (Online):**

- I. Dr. Balasaheb Pathare, B. K. Birla College (Autonomous), Kalyan
- II. Ms. Shruti Joshi, Sinhgad College Of Engineering, Pune

- **Poster Competition (Offline):**

- I. Ms. Mariyam Ansari, G.M. Momin Women's College, Bhiwandi
- II. Ms. Mansi Rajesh Limaje, BNN College, Bhiwandi

The conference concluded with a valedictory session at 5:30pm. Dr. Tabassum Sheikh, Principal, extended a warm welcome and acknowledged the active participation of all delegates, guests, and organizing committee members. The valedictory session included motivational addresses by the following distinguished guests: Prof. (Dr.) Kalpana Jain, Principal of Royal College, emphasized the need for integrating sustainability into education and research. Dr. Pramod Pabrekar, Senior Consultant at RUSA, encouraged college management young researchers to actively contribute to national sustainability goals. Participants provided enthusiastic feedback, praising the well-organized sessions, knowledgeable speakers, and interactive discussions. Dr. Mukesh Pimpliskar, Co-Convener, presented the comprehensive conference report, summarizing key highlights and achievements. President, Mr. Almaz Obaid Fakih addressed the gathering and congratulated for the success of conference. The management members- Mr. Daniyal Kazi, Mr. Sahil Kuwari graced the valedictory session. The session concluded with a vote of thanks by Dr. Shaziya Momin, Organizing Secretary, Department of Chemistry. Certificates of participation were distributed to all delegates.

The conference was deemed a success, and key takeaways highlighted the importance of collaborative research and the role of such events in fostering awareness and encouraging young researchers.

Patron Members:

- Mr. Almaz Obaid Fakih (President, K.M.E Society)
- Adv. Mohammad Yasin Momin (Vice-President, K. M. E. Society)
- Mr. Daniyal Shafique Kazi (Hon. Gen. Secretary, K.M.E Society)
- Mr. Naveed Bashir Kharbe (Hon. Joint. Secretary, K.M.E Society)
- Mr. Fahad Musaddique Buhare (Hon. Treasurer, K. M. E. Society)
- Mrs. Saheba S. Pathan (Chairperson, G.M. Momin Women's College)

Organising Committee Members:

- Dr. Tabassum Sheikh (Principal)
- Dr. Jayashree Sharad Thakre (Convener)
- Dr. Mukesh Ramesh Pimpliskar (Co-Convener)
- Mrs. Ruby Irfan Patel (Co-Convener)
- Dr. Shaziya Momin (Organizing Secretary)
- Dr. Seema Habib (Treasurer)
- Mr. Umer Farooque (Coordinator, IQAC)
- Ms. Tahreem Momin (Member)
- Ms. Farah Qazi (Member)
- Ms. Deeba Qureshi (Member)
- Dr. Fatema Zohra Momin (Member)
- Ms. Fatima Shaikh (Member)
- Ms. Tanzeela Momin (Member)
- Dr. Tasmi Ansari (Member)
- Dr. Sadaf Don (Member)
- Ms. Nupoor Telawane (Member)
- Ms. Rashmeen Shaikh (Member)
