Feedback Suggestions and Action Taken Report 2023-24

Sr. No.	Suggestions	Action Taken Report/ Justification
1.	The college needs to update the canteen facilities and menu. There's nothing healthy available to eat ...all fried items. Canteen should have variety of food and cleanliness.	Canteen foods are clean and hygienic. Most items are fried on demand. Vegetable sandwich, Idli, Pav Bhaji and biscuits etc. are also available
2.	Canteen fans are not perfect they don't work	Fans are old but working. House-keepnig Committee takes care of any technical issue that arises.
3.	In this form feedback form gym is not given. It should be there and their is no drinking water facility in gym as well as in library.	Will be included next time. Water filter is installed on the first floor of the extension building also.
4.	Clean washrooms and class of 3rd floor and, put more fans in the classrooms of 3rd floor.	Washroom are cleaned twice a day, Fans are adequate as per the requirements.
5.	The writing board of room no. 31 should be coloured as the things are not visible.	Will be changed
6.	We want common room should be open earlier, before 9 am .	Common room will be open at 8 a.m.
7.	Benches are not cleaned properly.	Usaually cleaned by support staff daily.
8.	The examination timing is less according to 100 marks paper and the options in the questions should be more then 3.	Exam paper , duration and exam time table is as per the university norms.
9.	There should be more number of benches in the class.	Benches in classroom are as per the available space.
10.	College leaving time should be less about 1 pm.	Teachers are following the timetable and their unit plans for completing their syllabus.
11.	We need to use elevator.	Elevator are available to use as per the requirement.
12.	Sports should be good.	Full time Sports Instructor is appointed and he trains the students properly for various indoor and outdoor games.
13.	Make common room for students.	Common room is shifted to ground floor and is ready with ample facilities like seating arrangements, fans, light, recreational instruments, wash room etc.

14.	Please give best facilities in classroom technical equipment like projecter, Mike , speaker they are very weak in SYBA classroom and blackboard is very bad, benches are so dirty.	Projectors are repaired and they are working good and black board will be replaced and available in the next academic year.
15.	Please give prize to students certificate isn't enough for winners	Winners are being awarded Trophies and medals along with certificate in most of the competitions.

1.	General availability of staff and attitude towards students is very harsh/poor	Administrative Staff has been given instructions by Principal for improving their behavior.
2.	Office staff could have more helpful nature and they should not shout on students	
3.	Behavior of clerk officers is not good at all.	
4.	The behavior of the administration office is not good and college is not allowed the lift facility.	
5.	Office staff behaviour was really not good at all and please make one separate common room	
6.	I just wanted to say that everything thing was so properly maintain in this college but the one thing which I don't like us during the admission they don't guide properly otherwise everything was perfect.	
7.	College need to leave doing bias with students they have to count every student is equal and that attitude of staff members are also need to be change towards students	Teachers are generally very supportive and kind to the students. ICC addresses the concerns about very serious matters.
8.	I have given a very low rating, because the teaches in exam time very fast studying and then the concept of the students is not clear and another reason is that the students who participate in extra curricular activities .	
9.	Don't do partiality.	
10.	Students want better washroom. Almost all teachers are good but few teachers have rude towards students.	
11.	"The unhygienic conditions of the toilet facilities are unacceptable and need immediate attention.	An audit has been conducted and the non-teaching staff has been given instructions for the same.
12.	Washroom wash basin 3 floor	
13.	Everything is good but washroom should be more clean.	
14.	Projector in classroom, 3rd floor washroom	
15.	Cleaning of class is very bad	
16.	There is no place to sit and no drinking water facility	There are enough water coolers for the students. Water is clean and filtered.
17.	Water cooler should be on each floors. Eradication of Unnecessarily prohibition in library such as cutting and sticking. Sports were not too good.	

		New water coolers are also ordered.
18.	You need to change the canteen food. Canteen has very expensive food and only fried food.	Communicated to canteen staff and implemented.
19.	Canteen fans	
20.	Canteen facility needs to be improved.	
21.	Seating arrangements in campus ... There are no benches for college students... please provide us some benches, so that if we don't have lectures then we sit and relax in our campus	There is a spacious common room and library to sit, relax or study. Prayer room is also available.
22.	Common room for students	
23.	Require best computer in IT lab	Last year a handsome amount from budget has been spent to buy many new computers. More machines will be purchased gradually.
24.	Please provide IT facility for every student and provide teaching IT department to every student.	
25.	Computer facility should be there for other students as well Liberay computers aren't working Staff facility should be provided by the college for inter College competitions	
26.	The extension building has several issues. On the 4th floor, there is no ceiling or projectors yet. Additionally, we have only one water cooler for the entire building; it would be beneficial to have one on every floor.	Structural Audit has been done and according to its recommendations repair works are going on.
